MARK SECTION (no change)	
ARGUMENT(S)	
<p>Reconsideration is requested of the refusal to register the applicant's mark SOLEMATES on the basis of the two cited registrations for SOULMATE and SOULMATE. BECOME ONE. AGAIN.</p> <p>Applicant submits that the terms "Soulmate" and "Soulmates" (in one-word or two-word form) are clearly generic as applied to jewelry and that Reg. No. 3306078 should accordingly be ignored as a basis for refusal of the applicant's mark SOLEMATES for similar goods. The registrant's Reg. No. 3502298 for SOULMATES. BECOME ONE. AGAIN is totally different from the applicant's mark, in sound, appearance and in meaning and could not reasonably be a basis for a likelihood of confusion rejection.</p> <p>Applicant has attached hereto 22 separate internet web pages showing widespread usage of "soulmates" in reference to a variety of forms of jewelry offered by a wide variety of sellers. It is believed that these web pages represent overwhelming evidence that "soulmates" and "soul mates" (or their singular counterparts) are used generically throughout the jewelry trade with respect to jewelry to be shared between soulmates. For convenience the term "soulmates" will be used hereinafter to include one-word or two-word forms and the singular and plural of either form, unless within a quote or otherwise noted.</p> <p>The Examiner cited cases indicating that web page <u>summaries</u> were of limited probative value because they were lacking in context. However, the case law also stands for the principle that the <u>content</u> of the web pages has a far greater probative value. <i>In re Fitch IBCA Inc.</i>, 64 USPQ2d 1058, 1060 (TTAB 2002). The web pages submitted herewith by the applicant show the extensive use of "soulmates" in the jewelry trade to refer generically to a particular <u>type</u> of jewelry. Even the registrant's own use of SOULMATE in its web page advertisement (Item 22, below) refers to SOULMATE diamonds as "the story of a pair of diamonds with a unique relationship" and a "the perfect symbol of a relationship between two people who are soul mates.</p> <p>The attached web pages are summarized as follows"</p>	

- (1) "soul mate jewelry on Etsy, a global handmade and vintage marketplace" Under the heading "soul mate jewelry" the website illustrates 175 items, many of which carry the name "soulmates"
- (2) "Amazon.com: soulmate: jewelry"  
65 items are illustrated. Note: the Amazon illustrations for the most part would not print directly from the web site and are partly shown by screen print procedures, which are less satisfactory. By the count of applicant's attorney, 43 of the 65 items specifically reference soulmate in some form, in the underlying description of the product.
- (3) "Zazzle"  
33 items are illustrated under the heading "Soul Mates Necklaces". Most include the terms "Soul Mate" or "Soul Mates" on the face of the pendant.
- (4) "Soulmate Jewelry - Ventana Window of Heaven Catalog"  
Five items are illustrated under the heading of "Soulmate Jewelry", including a "Soulmates Pendant" and related soulmates pendants.
- (5) "Soulmate Jewelry by Adove Fine Jewelry"  
Earrings are illustrated under the heading "Soulmates" and with the description "Soulmates Jewelry - Adove Fine Jewelry".
- (6) "Mystical Dragon"  
"Man and Woman Interlocking Soulmate Pendant" illustrated under the heading "Soul Mate Jewelry"
- (7) "price dumper" pages illustrating at least 22 items identified with reference to "soulmates".
- (8) "Penguin Soulmates Jewelry Case Clock"  
Under this heading, 16 items are illustrated with the underlying description "PENGUIN Soulmates". Most are jewelry items with a soulmates context.
- (9) "Limoges Jewelry"  
Four rings are illustrated under the heading "Soul Mates".
- (10) "YourHolyLand Store.com"  
Three items are illustrated under the heading "Cosmic Match (Soul Mate) Pendant".
- (11) "Energy Muse"  
Bracelets are illustrated under the headings "Soulmates for Women" and "Soulmates for Men".
- (12) "Lightworker Supplies"  
Description and illustration of "Soulmates Pendant", with text relating to the search for a "soulmate".
- (13) "the Find"  
"520 products from 116 stores" illustrated under the heading "soul mate ring". Only a

representative sample of the items is attached (consisting of two, two-page illustrations).

Note: in the printing of the web pages, the illustrations were compressed widthwise and some of the printed references to soulmates were lost or obscured. In the first two-page sample, 12 of the 21 items used the term soulmate in the underlying description or on the item itself. In the second two-page sample, 19 of 28 items used the term soulmate in the description or on the item.

- (14) "The Tropical Boutique"  
A "Petroglyph Soulmate Hawaiian" wedding ring is displayed.
- (15) "Human Rights Campaign"  
Various rings are illustrated under the heading "Soul Mate Sterling Silver Ring".
- (16) "Kathryn Cole Jewelry"  
Illustrates a "Soulmates Necklace" Associated text states "This is a perfect gift for your soulmate."
- (17) "Emma Gil Soulmates Wedding Rings"  
Presents the "Soulmates Bridal Collection".
- (18) "KJP591 – Soul Mates JewelPop"  
A specialty glass item for "your soul mate".
- (19) "Sundance"  
Illustrates a "Soulmates Ring" of bonded gold and silver bands.
- (20) "Soul Mate Jewelery"  
A selection of rings and pendants particularly for Valentines Day.
- (21) "Circle of Love Jewelry"  
Illustrates a "Circle of Love Soulmates Necklace".
- (22) This is a web page of the registrant of No. 3306078 (SOULMATE), which not only refers to its product as "the perfect symbol of a relationship between two people who are soul mates", but also makes a point of emphasizing the "SOUL" component of its mark by presenting it in bold (i.e., "**SOULMATE**") in most instances.

In view of the evidence of the extensive and widespread usage of "soulmates" (in its various forms) in the jewelry trade, to refer to a particular class or type of jewelry for exchange between persons who are soul mates, and the registrant's own reference to its jewelry as a "perfect symbol" for people who are soul mates, it is submitted that the registration of "Soulmate" should be given very little, if any, weight as a basis for rejecting the registration of the applicant's mark "Solemates". There is a well recognized differentiation between the terms "Solemates" and "Soulmate", and it seems highly unlikely that potential customers for soulmate jewelry, which is clearly "purpose" jewelry, would be confused or deceived in any way.

The second registration relied upon by the Examiner (No. 3502298), particularly given the generic nature of the first word thereof, "Soulmate", is respectfully submitted to be quite

unrelated to the applicant's mark "Solemates". The reference registration is a complete message about becoming a "soulmate". There is nothing about the applicant's mark "Soulmates" that in any relates to being or becoming a "soulmate", and is highly unlikely that there would or could be confusion between these marks.

It is believed that favorable reconsideration and allowance are merited by all of the facts and circumstances.

In view of the limited time before the applicant's response deadline, applicant is also filing an appeal, in order to preserve its right to pursue the matter further, if necessary.

PTO Form 1930 (Rev 9/2007)

OMB No. 0651-0050 (Exp. 4/30/2009)

**Request for Reconsideration after Final Action****To the Commissioner for Trademarks:**

Application serial no. **85262439** has been amended as follows:

**ARGUMENT(S)**

**In response to the substantive refusal(s), please note the following:**

Reconsideration is requested of the refusal to register the applicant's mark SOLEMATES on the basis of the two cited registrations for SOULMATE and SOULMATE. BECOME ONE. AGAIN.

Applicant submits that the terms "Soulmate" and "Soulmates" (in one-word or two-word form) are clearly generic as applied to jewelry and that Reg. No. 3306078 should accordingly be ignored as a basis for refusal of the applicant's mark SOLEMATES for similar goods. The registrant's Reg. No. 3502298 for SOULMATES. BECOME ONE. AGAIN is totally different from the applicant's mark, in sound, appearance and in meaning and could not reasonably be a basis for a likelihood of confusion rejection.

Applicant has attached hereto 22 separate internet web pages showing widespread usage of "soulmates" in reference to a variety of forms of jewelry offered by a wide variety of sellers. It is believed that these web pages represent overwhelming evidence that "soulmates" and "soul mates" (or their singular counterparts) are used generically throughout the jewelry trade with respect to jewelry to be shared between soulmates. For convenience the term "soulmates" will be used hereinafter to include one-word or two-word forms and the singular and plural of either form, unless within a quote or otherwise noted.

The Examiner cited cases indicating that web page summaries were of limited probative value because they were lacking in context. However, the case law also stands for the principle that the content of the web pages has a far greater probative value. *In re Fitch IBCA Inc.*, 64 USPQ2d 1058, 1060 (TTAB 2002). The web pages submitted herewith by the applicant show the extensive use of "soulmates" in the jewelry trade to refer generically to a particular type of jewelry. Even the registrant's own use of SOULMATE in its web page advertisement (Item 22, below) refers to SOULMATE diamonds as "the story of a pair of diamonds with a unique relationship" and a "the perfect symbol of a relationship between two people who are soul mates.

The attached web pages are summarized as follows"

- (2) "Amazon.com: soulmate: jewelry"  
65 items are illustrated. Note: the Amazon illustrations for the most part would not print directly from the web site and are partly shown by screen print procedures, which are less satisfactory. By the count of applicant's attorney, 43 of the 65 items specifically reference soulmate in some form, in the underlying description of the product.

- (22) This is a web page of the registrant of No. 3306078 (SOULMATE), which not only refers to its product as "the perfect symbol of a relationship between two people who are soul mates", but also makes a point of emphasizing the "SOUL" component of its mark by presenting it in bold (i.e., "**SOULMATE**") in most instances.

In view of the evidence of the extensive and widespread usage of "soulmates" (in its various forms) in the jewelry trade, to refer to a particular class or type of jewelry for exchange between persons who are soul mates, and the registrant's own reference to its jewelry as a "perfect symbol" for people who are soul mates, it is submitted that the registration of "Soulmate" should be given very little, if any, weight as a basis for rejecting the registration of the applicant's mark "Solemates". There is a well recognized differentiation between the terms "Solemates" and "Soulmate", and it seems highly unlikely that potential customers for soulmate jewelry, which is clearly "purpose" jewelry, would be confused or deceived in any way.

The second registration relied upon by the Examiner (No. 3502298), particularly given the generic nature of the first word thereof, "Soulmate", is respectfully submitted to be quite unrelated to the applicant's mark "Solemates". The reference registration is a complete message about becoming a "soulmate". There is nothing about the applicant's mark "Soulmates" that in any relates to being or becoming a "soulmate", and is highly unlikely that there would or could be confusion between these marks.

It is believed that favorable reconsideration and allowance are merited by all of the facts and circumstances.

In view of the limited time before the applicant's response deadline, applicant is also filing an appeal, in order to preserve its right to pursue the matter further, if necessary.

Title: Soulmates

Artist: Adobe Fine Jewelry

Medium: Jewelry - Peru Rhodocrosite, Sterling Silver

Description: these gorgeous dangles are made from stunning gemmy peru rhodocrosite lozenges on sterling silver levers. rhodocrosite is similar to rose quartz in qualities but much more powerful and combines divine love, compassion, and acceptance with passion, soulmate and twin flame connections. it is a stone of all things feminine, prosperity and creativity. rhodocrosite is from fossilized limestone that was steam heated in vapor caves to a gorgeous gemmy guava pink. younger, poorer quality rhodocrosite bears the bands in pink and cream like a tree does from millions of years growth inside mother earth's womb.

## Soulmates

### Soulmates Pendant

\$23.99

The quest for love is imperative for most of us. However elusive it can be, we never give up looking for our "soulmate".

The myth of Cupid and Psyche illustrates the power of love and the true meaning of the term "Soulmates." Psyche's quest to win back Cupid's love dates back to the 2nd century AD. Psyche is such a beautiful princess, that the goddess Venus becomes jealous of her. She instructs her son Cupid to make Psyche fall in love with a hideous monster, so all attention would again be on Venus.

Instead, Cupid falls in love with Psyche himself. He becomes her unseen husband, visiting her only at night. Psyche is sworn not to look upon the face of her unseen husband lest she lose his trust and his love.

Out of fear, she broke her promise and Cupid left her. She appeals to the Goddess Venus and undertakes a series of cruel and difficult tasks in the hope of winning him back. Eventually, Cupid can no longer bear witness to her suffering or be apart from her and pleads their cause to the gods. Psyche becomes an immortal and the lovers are married in heaven.

Cupid is said to represent the heart and Psyche, the soul of a relationship. The Soulmate Pendant's embracing lovers symbolize that heart and soul and the ideal of finding your "Soulmate".

The Soulmates Pendant is double sided and made of Excelsior Pewter. Comes with a 34" cord, accent bead and booklet. 1 1/4" high.

WHAT  
OTHERS ARE  
SAYING

My husband Pat and I recently celebrated our 20th anniversary. We are both HUGE supporters of HRC and I wanted to give him something special. Since I am Jewish and he is Catholic, we never really had a 'Jewish' wedding. So, I bought these for us for our 20th. He loved it and immediately put it on (he's a plumber and wearing jewelry isn't always the smartest thing to do).. thank you for having these and making our 20th anniversary special. You will always have both of our support!!!!

In all the world, there is no heart for me like yours. In all the world, there is no love for you like mine.  
~Maya Angelou

My Soulmates necklace is handmade with two circles in sterling silver. This is a perfect gift for your soulmate.

Each circle measures approximately 3/8" in width (together 1 1/16") and are hand fabricated in sterling silver. They are formed and soldered together and then hammered flat. An antique finish is given to them. The necklace is 18.5" in length. (Custom sizes are also available).

This necklace could be made with more or less circles also. Please write me for a quote.

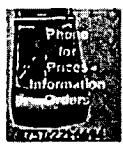

This necklace ships priority mail in the US.

All my jewelry comes in a gift box (made of recycled material) and a pretty sheer ribbon ready for gift giving!

Thank you so much for shopping handmade and with [kathryncolejewelry.com](http://kathryncolejewelry.com)

## Reviews

Sterling silver is a white and highly reflective precious metal composed of 925 parts of pure silver and 75 parts alloy, usually copper. Copper provides the silver with its stiffness and wearing qualities. Pure silver is too soft to be used or worn everyday. Sterling silver is used in a wide variety of jewelry for a beautiful polished look.

Gold is a remarkable, precious metal, with an unparalleled combination of chemical and physical properties. The only yellow metal, its name comes from the Old English word for yellow, 'geolu'. As the only metal that forms no oxide film on its surface in air at normal temperatures means that it will never rust or tarnish.

## Soul Mate Jewelry for Valentines Day or Any Other Time of Year

Looking for jewelry for your soul mate?

While Valentines Day jewelry is a common gift sparkling on every store counter and in every ad from January to mid-February, **Soul Mate Jewelry** is much harder to find.

What's the difference? Soul mate jewelry incorporates into its design that **special spiritual connection** that exists between two people who have shared many reincarnations together. It's that extra depth of understanding, compassion, and intimacy that places a soulmate relationship beyond the non-soul-mate couple.

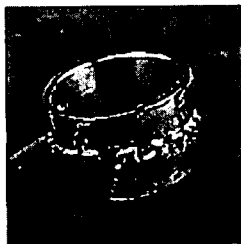

I've done some searching and found **Ka Gold Jewelry**, a company that specializes in original designs inspired by Kabbalah and other forms of spirituality. After sifting through their extensive inventory, I've chosen the following five pieces that most powerfully evoke the sense of love so unique to soulmates. Any one of these makes the perfect gift for your special Valentine.

All pieces are available in either silver or gold.

**Ring of Love**

The Ring of Love is based on the Golden Rule, which dates back to or before the Roman Empire times: Thou shalt love thy neighbor as thyself. The designer believes that "...love indicates total balance that is a result of the cosmic unity, and a deep understanding that the meaning of creation is love....The perception of unity, that another person...is one with you, is the key to wholeness.

**I Love Therefore I Am Ring**

"Diligo Ergo Sum," which means, *I love, therefore I am*, is a reinvention of the famous Descartes saying, "I think,

therefore I am." The search for love defines the human experience, and the artist has designed this ring as a declaration as well as a reminder of the importance of love.

### **Ahava Ring**

"Ahava" is the Hebrew word for Love. The ring's design incorporates Kabbalistic meaning to further empower and remind the wearer that love contains a balance between the Creator and the created. The letter *aleph* which is the first letter of the word is also the first letter of the Hebrew alphabet and looks the same upside down. This is the duality and harmony of love within the universe.

### **I am My Beloveds Pendant**

From the Song of Solomon, this simple declaration of love -- *I am my beloved's and my beloved is mine* -- has survived through the centuries. It remains a strong statement of the love between soul mates, which has also survived the centuries.

### **Ahava "Love" Pendant**

The same design as the ring, above, the pendant represents love - between soul mates, between the Creator and the created, and between all living things. It evokes both creation and balance, two forces that, joined by love, fill the energy of the universe as well as our hearts.

### THE SOULMATE® STORY

**SOULMATE® Diamonds share a connection as unique as yours.**

**SOULMATE®** is the story of a pair of diamonds with a unique relationship. Every pair of **SOULMATE®** diamonds is born from one natural rough diamond formed deep in the Earth, billions of years ago. Only a very rare rough diamond meets the standards established as acceptable for **SOULMATE®** diamonds. **SOULMATE®** diamonds share an eternal connection, and are the perfect symbol of a relationship between two people who are soul mates. When set into jewelry, **SOULMATE®** diamonds are a beautiful expression of the bond that exists between sisters, best friends, mothers and daughters, husbands and wives or to celebrate the joyous occasion of the birth of a child. **SOULMATE®** jewelry is destined to become your family's most cherished heirloom!

#### Authentic SOULMATE® Diamonds.

For your peace of mind, each pair of **SOULMATE®** diamonds comes with two certificates of authenticity from the cutter. The certificates expressly state that **SOULMATE®** diamonds are natural diamonds that were formed in the Earth and that this pair of diamonds has never been apart. On the reverse side of the Certificate of Authenticity, there is a unique numbered photographic record of your pair of **SOULMATE®** diamonds documenting their evolution from the original piece of diamond rough to the finished pair of polished diamonds, as they appear in your jewelry. The certificate number is engraved in the jewelry into which the diamonds are set. Your diamonds are authentic **SOULMATE®**, just like the two of you! Become one again through this unique and special gift.

**SOULMATE®** was developed and the diamonds are cut by JB Diamonds, a Diamond Trading Company Sightholder, one of the largest and most respected manufacturers and distributors of polished diamonds and diamond jewelry. JB Diamonds hereby guarantees that these diamonds are conflict free, based on personal knowledge and/or written guarantees provided by the supplier of these diamonds as protected by the Kimberly Process.
